Price, Reliable, Stylish Goods

Is the best Salesman on Earth.

Strictly
One
Price.

A fact we never lost sight of. It's the general all-around low prices on everything we sell that makes this store so popular. No variation about our methods. Its our everlasting effort to price reliable merchandise of all sorts so low as to not only retain the enviable clientage we enjoy, but add new friends to the list every day. The large crowds, typical of this store, is the best evidence of how well we succeed.

Here's APPRECIABLE Economy:

DUNLAP HATS, Spring Styles, now on sale.

Nothing in the way of Hats has ever been shown that can even compare with this season's. They have been beyond any doubt whatever pronounced as the only stylish hat made. The style this season is prettier than ever. We have received a full line of them in all the latest shades, which we have now on sale. We kindly invite our friends to look at them before doing so elsewhere.

Manhattan Shirts.

Our stock of these shirts far exceeds any we have ever had. The patterns and styles are much improved from last season's goods. There is nothing looks better on a gentleman than a nice and stylish shirt. We have them in all sizes and styles, with collar attached and detached, two collars and one pair of cuffs with each one detached.

Stanley Shirts. See window display on Main street. The name of Stanley itself is too well known to need any introduction. Anyone who wants to wear a nice and stylish shirt for the price of \$1.00 only, should surely not fail to come to Dreyfus' and examine them. They are with collar attached and are very pretty patterns.

I VOTE FOR . . .

MR.

As the most popular gentleman.
